ADDITIONAL INFORMATION FOR PRIVATE VESSELS

- The annual berth agreement for private owners may start with the date of arrival of the vessel at the berth providing that the agreement continues for the first following period for annual berth pursuant to the time periods listed in the price list.
- The fee for vessels berthed up to two hours amounts to 50% of the daily berthing price.

GENERAL INFORMATION

- For vessels sailing into the marina in the period between 7 am and 12 am of the same day, the daily sea berth fee covers the stay in the marina until 2 pm on the following day. For vessels sailing into the marina at night, in the period between 12 am and 7 am, the daily berth expires at 2 pm on the same day.
- After 2 pm the berth is charged for the following day.
- Prices for berthing and washing with a high-pressure pump are increased by 100% for catamarans and trimarans.
- Monthly wet berth services are not available during June, July, August and September.
- The Marina reserves the right to verify vessel dimensions.
- If the maximum length or beam of a vessel exceeds a certain category, the price of a suitable category will be charged.
- Prices are calculated as per length over all (LOA) bases.
- Use of connections for electricity and water at an extra charge.
- Manual water regulators, i.e. water spray guns, must be used when washing vessels. Vessel washing is calculated at a flat rate of the water consumed pursuant to this price list.
- Crews of vessels that are located on land are not allowed to spend the night on the vessel.
- Pursuant to Article 77, paragraphs 3 and 4 of the Ordinance on the Terms and Methods of Maintaining Order in Ports and Other Parts of Internal Waters and Territorial Sea of the Republic of Croatia (Narodne novine, NN; Official Gazette of the Republic of Croatia No. 72/2021), Marina Kaštela will collect indirect fees for the acceptance of waste regardless of the actual delivery of waste for: Boats and yachts that have concluded a berth use contract (in a lump sum amount of 1% of the berth use fee) and boats and yachts in transit, when entering the port (in a lump sum amount of 1% of the berth price).

AUXILIARY VESSELS

- Auxiliary vessels are vessels of up to 2.5m in length.
- The user of the annual berth agreement undertakes to enter into a berthing agreement for an auxiliary vessel which uses a separate berth.

INFORMATION FOR VESSELS IN COMMERCIAL USE

- Daily berthing for a period of up to 2 hours is not available for vessels in commercial use, i.e. they will be charged with a daily wet berth commercial fee and a flat rate of EUR 70 for check-in and check-out, regardless of the length of their daily stay in Marina Kaštela.
- An additional fee for dry berthing for all catamarans and trimarans in commercial use is as per agreement.
- All agencies based in Marina Kaštela can also use a Travel Lift Pass agreement (does not include catamarans and trimarans)
- An annual berth agreement for commercial vessels, which are not part of the fleet of the agency operating in the marina, may start on the date the vessel arrives at berth with the approval of the Management.
- Manual water regulators, i.e. water spray guns, must be used when washing vessels. Vessel washing is calculated at a flat rate.
